AQHA's charge for Incentive Fund nomination is determined by the actual age of the horse according to the date the nomination and fee are received in the Association office as evidenced by AQHA's date stamp. Nomination fees must be received in U.S. funds.
3. AQHA may invest funds received from nominations in accordance with its current investment guidelines for AQHA's own corporate funds. Earned investment income from a particular year's fund shall be added to the Incentive Fund. AQHA may deduct accumulated cost of administering the Program from the gross proceeds from the stallion and foal nominations, not to exceed 10%.
4. Once a foal is enrolled, the nomination fee is not refundable except in the case of a foal that dies prior to its twelfth month of age, and provided the horse has not earned a ½ point or more in an AQHA approved event. AQHA must receive a written statement to this effect prior to the day that it is twelve months of age.
5. All disputes arising out of the application or interpretation of any rules or conditions of the AQHA Incentive Fund shall be decided by the American Quarter Horse Association.
6. AQHA will publish a list of nominated stallions and will have as a part of a stallion's permanent records with AQHA, the stallion's eligibility status regarding the Incentive Fund. That list will be published in the October issue (prior to the breeding season) of *The American Quarter Horse Journal* through the April issue of the breeding season. Nominations not cleared or made by the deadline for the April issue will not be published. AQHA reserves the right to cancel the eligibility of any stallion nominated if it should determine that the nomination fee as submitted is less than the actual amount that should have been paid, provided the nominator shall have 30 days in which to accept and pay the nomination fee determined by AQHA.
7. AQHA reserves the right to alter the conditions of all or part of the Incentive Fund Program as it, in its sole discretion, determines to ensure fairness and equality to all participants. Further, at its sole discretion, AQHA may cancel the Program at any time and refund money if it deems horsemen's participation is insufficient to justify the Program. An entrant is ineligible to participate in the Association's Incentive Fund Program where prohibited by law because of legal residence, situs of approved event, or any other basis, and all or the prohibited portion of earned points or purse money shall be disregarded in calculations for an earned portion of the Incentive Fund.
8. Fees received from foal nominations, along with corresponding stallion nominations, will be used to convert points earned at AQHA shows into premium money. Each point earned at an AQHA-approved show in the open and/or amateur division by an Incentive Fund nominated horse will be worth money, the exact amount to be determined by AQHA based on total money in the Incentive Fund for a given year divided by the number of points earned by Incentive Fund horses during that year.
 - A. Out of the premium money available for each point earned at an AQHA-approved show, 10% will be awarded to the nominator of the sire for the breeding season in which the foal was conceived and 10% will be awarded to the nominator of the foal. The remaining 80% will be awarded to the recorded owner of the point earning horse as of December 31 of the year in which the points are earned.
 - B. Calculation of winnings shall be based on the official show records of the Association as of January 31 following the completion of the show year in which the points were earned. Subsequent correction of show results, for any reason, shall not affect calculation of winnings. All winnings are subject to Internal Revenue Service rules and regulations pertaining to withholding of tax and the reporting of earnings. Any payout checks which are less than \$10.00, will not be issued, and those monies reverted back to the Incentive Fund.
9. For rules regarding AQHA-approved shows, eligibility of competing horses, and points earned, refer to the current edition of AQHA'S Official Handbook.
